

fact and unwarranted?

SENATOR BRASHEAR: Senator Chambers, they were so pervasive that I would have to have the record prepared in order to examine them in detail, and I'd suggest we do that at another time, maybe when we don't have anybody who would like to go on with other business.

SENATOR CHAMBERS: Well this is the quietest I've seen the Chamber in a long time. It seems to me that people are very interested in what you and I are talking about. That's a perception I have maybe in the same way I detected controlled rage in you and you say I was wrong. Maybe I'm misperceiving...

SENATOR HALL: Time.

SENATOR CHAMBERS: ...what's happening here.

SENATOR HALL: Thank you, Senator Chambers. Thank you, Senator Brashear. Senator Kristensen, your light is next. Question has been called. Do I see five hands? I do. The question is, shall debate cease? All those in favor vote aye, opposed nay. We're voting on ceasing debate. Have you all voted? Record, Mr. Clerk.

CLERK: 25 ayes, 1 nay to cease debate, Mr. President.

SENATOR HALL: Debate is ceased. Senator Withem, you're recognized to close on your amendment.

SPEAKER WITHEM: Yeah, I'd like to just close very briefly, just to indicate that despite the fact that we had a fairly far-ranging discussion there regarding other policy matters related to 189A, currently with the Lindsay amendment to 189A simply puts the A bill in shape to fund the policy decision that was made in 189, that being...and the only dollars in this are those dollars necessary for the funding of the pay increase. The previous amendment took out any General Fund appropriations for the additional judgeship, and again we hope to see that accomplished through other purposes. So with that, I would urge you to adopt the Withem amendment.

SENATOR HALL: Thank you, Senator Withem. You've heard the close on the amendment. The question is, shall it be adopted? All in favor vote aye, opposed nay. Have you all voted?
